Welcome to Simpson University E-News

We are pleased to be launching this electronic newsletter, designed to share the latest news about **Simpson University students, faculty and upcoming events** in an easy-to-read format. We value your connection to Simpson as an alumnus, parent, student, employee, friend, financial supporter, or community neighbor and hope you will find **Simpson University E-News** informative, interesting, and worth sharing.

Students Honored at Annual Research Symposium

An ongoing Science Department research project to reduce acidity in nearby Superfund-site Iron Mountain Mine, and the effects of dogs' socialization on their behavior and adoption from Haven Humane Society were the winning topics in this year's 7th annual Student Research Symposium. The daylong event, open to the public, showcases undergraduate and graduate student research projects.

WorldSERVE & Strike Teams Partner to Help Community

The two arms of Simpson University's student service outreach, WorldSERVE and Strike Teams, combined efforts recently to help seven Shasta County organizations with projects. WorldSERVE sends students around the globe during spring and summer breaks; Strike Teams sends small groups to meet immediate needs in the local community throughout the year.
