The ASPIRE program made my hopes and dreams for a higher education become a reality. Simpson University showed me the path to a degree and a better quality of life.

Donna Crotty-Boyd, B.A. Organizational Leadership

In 16 months, I completed a B.A. in Psychology, earned a significant raise at work, raised my own self-esteem, and made a few friends.

Charlie Williams, B.A. Psychology

WE ARE INVESTED IN YOUR SUCCESS

We know that returning to school can feel overwhelming. That’s why our staff is on hand to work with you to accomplish your goals. We begin with a free comprehensive evaluation of your transcripts and provide a career advising. We will also help you as you navigate financial aid and course registration.

As an adult student you are returning to the learning environment with a wealth of personal and social experience. In the ASPIRE Degree Completion Program you are a scholar-practitioner, and you will benefit from our student centered learning model. When engaging new information you will be encouraged to draw upon your life experience and to think critically about how you can apply what you are learning in class to real-life situations.

As a student, you will be supported by a team of faculty and staff who know and care about you personally. This is a learning environment focused on helping you accomplish your goal of earning a bachelor’s degree. The first step is to contact our admissions office and make an appointment with one of our highly trained enrollment counselors. Go online to cs.simpsenou.edu or call us at 888.9.SIMPSON. We look forward to getting you on the right path to success.

B.A. in PSYCHOLOGY

Psychology degree will provide you an essential understanding of human behavior and social processes. With a strong foundation in the theory and science of human behavior and development, you’ll be well-prepared for your career or for graduate school.

B.A. in BUSINESS & HUMAN RESOURCES MANAGEMENT

You will learn the dynamics of interactions between organizations and people, and to manage these dynamics to successfully lead, motivate, and manage a professional organization’s resources.

R.N. – B.S.N. TRACK

Strengthen your understanding of the practical theory of nursing, the economics of healthcare, health assessment, and the skills critical to today’s fast-changing environment while preparing yourself for leadership positions and earning your public health certificate.

B.A. in LIBERAL STUDIES

This program is a structured combination of the arts, physical sciences, social sciences, and humanities, emphasizing breadth of study. The broad-based, interdisciplinary nature of Liberal Studies provides you with communication and analytical skills needed in a wide variety of careers and occupations. This major is excellent preparation not only for law school, but also for graduate work, law school, and employment in business and government.

B.A. in ORGANIZATIONAL LEADERSHIP

With strong foundations in strategic leadership theories, skills, techniques, and real-world application, you will enhance your individual effectiveness in leadership positions and develop into a leader who inspires others. The skills you gain are adaptable to a variety of careers in areas such as human resources, project management, or other supervisory positions.

HEALTHCARE MANAGEMENT CERTIFICATE

With 4 additional courses you can project over the next two years, the healthcare industry offers a dynamic opportunity for career growth. You can earn your certificate in Healthcare Management online at our online alone certificate or enhance your competitive job skills by adding the certificate in Healthcare Management to any ASPIRE bachelor’s degree program.

Schedule: How classes work

ASPIRE’s unique class structure is designed to accommodate the schedules of busy adults like you. Each semester two five-week sessions are offered; one in our conventional format and one online offering one session only. You’ll take one class at a time; our faculty has designed to build on the knowledge gained in the previous class. In this way, you’ll move through your program on a step-by-step, structured path that allows you to focus your full attention on the material you need to know in your chosen field.

Admissions process

You will find the admissions process at Simpson University smooth and user-friendly. Visit our admissions requirements on our website at cs.simpsenou.edu and register your application online at simpsonu.edu/apply.

A psychology degree will provide you an essential understanding of human behavior and social processes. With a strong foundation in the theory and science of human behavior and development, you’ll be well-prepared for your career or for graduate school.
