WHY SIMPSON?
Good question! We asked our very own students why they chose Simpson and this is what they said:

• Christian community
• Dedicated faculty
• Small class sizes
• Connection with professors
• Spiritual growth
• Affordability
• Many opportunities for involvement
Simpson University’s criteria for admission are based on the university’s desire and commitment for each student to find success in their academic and faith endeavors. Acceptance decisions are based on a potential for academic success, an articulation of a commitment to a personal relationship with Jesus Christ, and evidence that the individual will thrive in a Christ-centered academic community.
