THE CHRIST MY FOCUS
I will seek to bring honor to his name by my words, deeds and study.

SIMPSON CHARACTER MY PRIORITY
I will ask what effect my choices will have on the development of a Christ-like character in my life.

WAY COMMUNITY MY RESPONSIBILITY
I will work to build healthy relationships with my local and extended community and encourage others to do the same.
Dear Parents:

Welcome to the Simpson University community. Your child found a new college family, but so have you. As much as your student is part of the Simpson community, you also, have found a place to call home.

Having sent my children to college, I know the feelings accompanying parents during this time of important transition. Pride in our children’s accomplishments and growth competes with the anxiety in letting them go. What path will they choose? And will they find what they need to grow into the people that God created them to be?

Simpson is here to help. Our historical foundation of a Christ-centered education is as strong now as ever. It is our goal to facilitate the development of our students as whole persons with spiritual maturity.

The Office of Alumni and Parent Relations is here to serve alumni, students and parents. Our goal is to keep you informed about campus life and upcoming events through monthly e-newsletters and our parent Facebook page. This handbook will help you support your student during his or her time at Simpson, as well as act as a resource for contacting various departments on campus.

I want to personally invite you to become part of our Parent Council. Parents routinely help with orientation, visit days, homecoming and Grandparent Day. The council offers parents a great way to serve and connect with students and staff. You can find out more information on page 40 in this handbook.

We hope to see you on campus. Feel free to drop by or contact the Office of Parent Relations with your questions and ideas.

Sincerely,

Karla Dillon

Mission, Vision, and Values

Identity Statement

Simpson University, a school of The Christian and Missionary Alliance, is a Christ-centered learning community with an enduring commitment to world service and faith-infused education in professional studies and liberal arts.

Mission

Simpson University is a Christ-centered learning community committed to developing each student in mind, faith and character for a lifetime of meaningful work and service in a constantly changing world.

Vision

Simpson University’s passion is to be the university of choice for students who aspire to achieve their chosen life goals through a Christ-led, transformational, and innovative education.

Core Values

Statement of Commitment

We profess the supremacy of Jesus Christ as Lord of all. In faith, we submit ourselves to His character in our daily lives. Simpson will be a Christ-honoring university, and we embrace the core values below, which inform our identity and drive our vision for the future.

Community - We are a covenantal community. We commit to creating a learning community that is intentionally and faithfully hospitable and welcoming; inclusive and diverse; practicing justice, fairness and respect for all people; compassionate, kind and loving; reflecting the heart and image of God in all that we do.
Excellence - We commit to excellence in teaching, scholarship, recruitment, leadership, management, stewardship, and interpersonal interactions and to continuously improve in all our practices.

Accountability - We commit to individual and corporate responsibility for our actions, decisions, communications, and performance and welcome evaluation and feedback.

Integrity - We commit to honor God and each other through openness, honesty and ethical conduct in all matters.

Service - We commit to honor God by modeling Christ’s example of service to all humanity. Our calling as a Christian university is to be a “gateway to world service” and a place where the Great Commission is lived out.

Institutional Motto: Gateway to World Service

Statement of Faith

As a school of the Christian and Missionary Alliance we affirm the denominational statement of faith.

The foundations of our faith:

1. There is one God, who is infinitely perfect, existing eternally in three persons: Father, Son, and Holy Spirit. (*Deuteronomy 6:4, Matthew 5:48, Matthew 28:19*)

2. Jesus Christ is true God and true man. He was conceived by the Holy Spirit and born of the Virgin Mary. He died upon the cross, the Just for the unjust, as a substitutionary sacrifice, and all who believe in Him are justified on the ground of His shed blood. He arose from the dead according to the Scriptures. He is now at the right hand of the Majesty on high as our great High Priest. He will come again to establish His kingdom of righteousness and peace. (*Philippians 2:6-11, Luke 1:36-38, 1 Peter 3:18, Hebrews 2:9, Romans 5:9, Acts 2:23-24, Hebrews 8:1, Matthew 26:64*)

3. The Holy Spirit is a divine person, sent to indwell, guide, teach, empower the believer, and convince the world of sin, of righteousness, and of judgment. (*John 14:15-18, John 16:13, Acts 1:8, John 16:7-11*)
4. The Old and New Testaments, inerrant as originally given, were verbally inspired by God and are a complete revelation of His will for the salvation of men. They constitute the divine and only rule of Christian faith and practice. (II Peter 1:20-21, II Timothy 3:15-16)

5. Man was originally created in the image and likeness of God; he fell through disobedience, incurring thereby both physical and spiritual death. All men are born with a sinful nature, are separated from the life of God, and can be saved only through the atoning work of the Lord Jesus Christ.

The portion of the impenitent and unbelieving is existence forever in conscious torment; and that of the believer, in everlasting joy and bliss. (Genesis 1:27, Romans 3:23, I Corinthians 15:20-23, Revelation 2:1-4, 8)

6. Salvation has been provided through Jesus Christ for all men; and those who repent and believe in Him are born again of the Holy Spirit, receive the gift of eternal life, and become the children of God. (Titus 3:4-7)

7. It is the will of God that each believer should be filled with the Holy Spirit and be sanctified wholly, being separated from sin and the world and fully dedicated to the will of God, thereby receiving power for holy living and effective service. This is both a crisis and a progressive experience wrought in the life of the believer subsequent to conversion. (I Thessalonians 5:23, Acts 1:8, Romans 6:1-14)

8. Provision is made in the redemptive work of the Lord Jesus Christ for the healing of the mortal body. Prayer for the sick and anointing with oil are taught in the Scriptures and are privileges for the Church in this present age. (Matthew 8:16-17, James 5:13-16)

9. The Church consists of all those who believe on the Lord Jesus Christ, are redeemed through His blood, and are born again of the Holy Spirit. Christ is the Head of the Body, the Church, which has been commissioned by Him to go into all the world as a witness, preaching the gospel to all nations. (Eph. 1:22-23, Matt. 28:19-20, Acts 2:41-47)

10. There shall be a bodily resurrection of the just and of the unjust; for the former, a resurrection unto life; for the latter, a resurrection unto judgment. (I Corinthians 15:20-23, John 5:28-29)

11. The second coming of the Lord Jesus Christ is imminent and will be personal, visible, and premillennial. This is the believer's blessed hope and is a vital truth which is an incentive to holy living and faithful service. (Hebrews 10:37, Luke 21:27, Titus 2:11-14)
University Profile

Since 1921, Simpson University has been guided by the motto “Gateway to World Service.” Simpson is committed to academic excellence and spiritual fervor, equipping students to serve Christ in the marketplace, classroom, boardroom and mission field.

Simpson believes in educating the whole person. We are intentional in creating a learning environment where intellectual exploration and spiritual growth combine with hands-on learning to create a richly rewarding college experience. Our faculty and staff value the opportunity to invest in the lives of young people, both in and out of the classroom.

Simpson Departments

Academic Affairs
The Office of Academic Affairs oversees traditional undergraduate, accelerated undergraduate, study abroad, graduate and credentialing programs, university accreditation, registrar and records, the Advising Center and library. Simpson University offers numerous bachelor's degree programs and several Master's programs.

Advancement
The Office of Advancement oversees institutional advancement, university marketing, church, alumni and parent relations. *(See page 40 for parent resource information.)*

Business Services
The Office of Business Services has responsibility for a wide variety of activities on campus, including information technology, human resources, corporate finance, conference services, campus safety, mail and copy services, facilities operations, the bookstore, the coffee shop, food service, new construction, government relations, and oversight of all legal matters.

Enrollment Management
The Office of Enrollment Management is responsible for admissions for undergraduates, continuing and graduate studies, as well as Tozer Seminary. In addition, the division is engaged in recruitment, student communication/data management, and student financial services.

Student Development
Student Development at Simpson University is committed to developing a Christian learning community dedicated to the holistic development and thriving of students through the discovery of their God given gifts and strengths. In turn students are challenged and supported to apply their learning in service to others: on campus, in the Redding community, and to the ends of the earth. Our goal is to educate and develop students in our motto, The Simpson Way: Christ my focus; Character my priority; and Community my responsibility

The Student Development Department encompasses: academic success, athletics, residence life, spiritual formation (chapel, missions, and community service), student engagement (activities, leadership development, commuters services, clubs, intramural sports, and the climbing wall), student accountability, and wellness (counseling, health, and career services)
Student Services

Academic Success Center
The Academic Success Center (ASC), located on the second floor of the Owen Student Services Center, engages in the intellectual growth and success of Simpson University students by providing them with resources, education, guidance, and support to assist them in their individual efforts. Students can come to the ASC for tutoring, time-management assistance, academic coaching, study skills assistance, test make-up, and/or for any disability-related needs. The goal in the ASC is to help students understand their unique academic needs and then assist them in finding strategies to fill those needs. If your student has questions or would benefit from the use of any of our services, encourage them to contact the ASC office at (530) 226-4783 or asc@simpsonu.edu.

Advising Center
The Advising Center is a resource available to freshmen (students with less than 24 credits) and undeclared majors. Our purpose is to help students succeed as they work toward the goal of graduation. Students are encouraged to meet with their designated academic advisor at least two times each semester to discuss possible majors, course selection (including summer coursework), and an academic four-year plan. Under the umbrella of the Registrar’s Office, the Advising Center has many tools available to assist students, such as credit worksheets for each major and minor, four-year plan worksheets, and class schedule planners. Please encourage your student to visit the center, located in Simpson Central on the second floor of the Owen Student Services Center. For more information on academic advising, please see page 45

Athletics
With a focus on spirituality and education, the Athletics department aims to develop Disciples of Christ, achievers in the classroom, champions of character and service, and fierce competitors in sport. Simpson Athletics Matrix: The 4 Cs: Christ-Centered, Classroom, Character/Community Service and Competition. There are two levels of athletic activities available to students at Simpson University: intramural and intercollegiate sports.
The Simpson University athletic program is a member in the National Association of Intercollegiate Athletics (NAIA). We compete in the California-Pacific Conference (Cal-Pac) and compete in the sports of men’s and women’s soccer, cross-country, basketball and golf; women’s volleyball and softball; and men’s baseball and wrestling. For more information, visit simpsonredhawks.com.

**Bookstore**
The university bookstore is located next to the coffee shop on the first floor of the Owen Center. They offer several course material options including new, used, rental, and digital textbooks. Study aids, school supplies, Simpson University branded apparel and gifts, snacks, and drinks are also available. For more information, go to simpsonushop.com.

**Hours:**

- **Monday:** 10 am – 5 pm
- **Tuesday-Thursday:** 10 am – 6 pm
- **Friday:** 10 am – 2 pm

**Students will be notified of modifications to service hours throughout the year.**

**Campus Safety**
The Campus Safety Office is located in Mod 6. Campus Safety is available 24/7. The immediate emergency contact phone number is (530) 941-7592. For more information on Campus Safety, visit simpsonu.edu/campussafety. *(See page 37 for more information.)*

**Career Services**
The Career Services office, located in the Owen Student Services Center, Suite 203A, offers a wide range of services and resources. Services include life and career planning, personality and interest assessment, college major selection, career exploration, career mentoring, job and internship postings, workshops, career resource library, resumes, cover letters, job interview preparation, graduate school selection and GRE preparation. Individuals seeking counsel about their life call, career plan, or field of study are encouraged to contact Career Services for an appointment at (530) 226-4106, or email careerservices@simpsonu.edu.
Club Sports
Club sports are organized under the guidelines set forth by the Associated Student Body of Simpson University (ASBSU) Senate. A club sport team has identified members who compete against other club teams, especially club teams from other universities. Each club team must have a Simpson staff sponsor for guidance and accountability. A club sport team is eligible to receive some funding through ASBSU.

Coffee Shop
The Bean Scene is open six days a week during fall and spring semesters. They serve locally handcrafted Scout Coffee and feature gluten-free goodies baked locally by Measures of Joy Bakery. Each day, fresh selections of OutTakes grab-n-go meals are prepared. Free Wi-Fi also makes a comfy and cozy place to study. For more information about the Bean Scene coffee shop, visit www.dineoncampus.com/simpson/show.cfm?cmd=menus.

Hours:
Monday-Thursday: 7 am – 9 pm
Friday: 9 am – 5 pm
Saturday: 9 am – 2 pm
Sunday: Closed

Students will be notified of modifications to service hours throughout the year.

Commuter Students
Commuter students are important members of the Simpson community. Services, programs, advocacy, research, and outreaches are tailor-made to fit the unique needs of Simpson’s commuter students through the Commuter Student Services Program. Commuter students can take advantage of resources and activities that are specifically designed to meet their needs; additionally, commuter students are highly encouraged to participate in events hosted for the entire campus. Two examples of resources available specifically for commuter students are the Commuter Lounge and Commuter Student Lockers.

The Lounge: Located on the second floor of the Owen Center (OC 210), the lounge is equipped with a refrigerator, microwave, toaster, toaster oven, cups, sink, and plenty of tables to accommodate students. Also in the lounge is a study area, as well as an area set up for socializing.
Commuter Student Lockers: Lockers, centrally located outside of the Bean Scene, are available to commuter students for the storage of personal belongings, textbooks, and anything else to make the commute to campus easier. For more information or to reserve a locker, students should visit the Student Development office on the second floor of the Owen Center.

Counseling Center
The Simpson University Counseling Center is an integral part of Student Development’s mission to provide support and encouragement to students as they discover who they are in Christ through a nurturing and dynamic community that cultivates their holistic development.

The Counseling Center offers short-term therapeutic counseling and assessments in a caring, Christian environment. Services are available to all currently enrolled full-time Simpson University undergraduate students. They are entitled to eight counseling sessions per school year, the cost of which is included in student fees. Should a student need additional sessions, a minimal fee will be charged for each session, or we can also assist your billing Insurance, or the counselor will assist in locating a local Redding therapist for ongoing counseling if you prefer. For inquiries, please call (530) 226-4106.

Emeriti Dining Center
The Dining Center is open seven days a week throughout the fall and spring semesters, serving a variety of food choices, ranging from continental breakfast and soup-salad-deli bars to classic buffet and interactive exhibition stations. The menu changes daily and offers both all-American and regional-world cuisine, with featured specials and events throughout the year.

Resident students may choose from three meal plans, which provide either 21, 14 or 10 meals per week. Qualified resident students may be excused from participating in a meal plan. Exemptions are handled on a case-by-case basis through the Academic Success Center. Students are only allowed in the Dining Center if they have presented their meal card to the cashier. Commuter students may purchase individual meals at the entrance to the dining center or they may purchase multiple meals through the flex dollar program.

For students and commuters on the go, a green TO-GO program is available, providing re-usable containers for program members.
The Dining Center is closed during winter, spring and summer breaks.

For more information please visit: https://new.dineoncampus.com/Simpson

**Flex Dollars**

Flex Dollars is a declining balance account on the student’s ID card and works just like a debit card in that each time a purchase is made the cost is subtracted from the student’s account.

Flex Dollars can be used at any dining location at Simpson University. Students can use it to buy an all-you-care-to-eat meal at the dining center or, a latte or snack at the Bean Scene.

Students can buy Flex Dollars through the website or phone app GetFunds using the unique URL below. Once registered, students will be able to add Flex Dollars and view the balance and transaction history. Students can even have friends and family login to GetFunds and deposit more funds to their account!

Purchase Flex Dollars by logging into get.cbord.com/simpsonu/full/login.php

**Employment**

Student employment is coordinated through the Human Resources Office, Suite 308, located on the 3rd floor of the Owen Center. To be eligible for student employment, a student must currently be enrolled at least half-time at Simpson University. Being eligible for University work does not guarantee a student a job on campus. Areas of work opportunities include maintenance, campus safety, housekeeping, grounds, library, conference services, information services, and office/faculty assistants. Students interested in open positions on campus are directed to our website simpsonu.edu/employment. Click on the Students tab and complete the online application. All newly hired student employees will need to complete a Student Employment form, W-4, I-9, and provide supporting identification of work eligibility before beginning employment. For off campus employment, students can check the Off Campus Employment section of student employment at simpsonu.edu/employment.

**First-Year Experience (FYE)**

The First Year Experience encompasses a variety of programs and events designed to help students transition well into the Simpson community. The
FYE course (LEAD 1100) is an important part of the First Year Experience. It is an eleven-week course required for all new students with less than 24 credits on their transcript. The course encourages students to take ownership of their own academic success, equips students with college-level academic skills, and introduces students to the campus resources available to support them academically, emotionally, and spiritually. The FYE Course familiarizes new students with the mission, core values, and institutional learning outcomes of Simpson University life-academically, socially, financially, and spiritually.

We understand that change can be difficult for new students, especially if they have to go through it alone. That is why every student in the FYE course is placed in an FYE group. Each group usually consists of 10 students or less, and is major specific. These groups are led by an upper-class student (FYE Leaders). Students will meet their FYE group and leader during Orientation Weekend and will continue to meet throughout the fall semester.

**Transfer Connection (TraC)**
Our Transfer Connections peer-mentoring program prepares students to navigate the particular challenges of transitioning from one college to another, and offer intentional peer-mentoring and support. Our TraC Leaders walk alongside our new transfer students to create a sense of belonging, and to provide ongoing encouragement.

**Second Year Experience (SYE)**
The Second Year Experience builds on the First Year Experience. It is designed to meet the needs and challenges of our second year students. Involvement in the SYE is entirely voluntary. Students who choose to take part in the SYE attend, and participate in, a number of “stations” throughout their second year. These stations are hosted by various departments (SFS, ASC, Career Center, etc.) and are designed to address the challenges of the second year. Following the high-impact practices suggested by a national survey on sophomore year initiatives, the SYE focuses on financial literacy, vocational clarity, and grad planning.

**Health Center**
The Student Health Center is located in the Owen Center, Suite 208. The center is staffed by a registered nurse, offering free confidential care to all traditional undergraduate students (residents and commuters). A variety of services are provided, including illness and injury assessment and treatment, free non-prescription medications, referrals to outside providers, travel
health advice, immunizations, and equipment loan (crutches, wheelchair, heating pads, etc.). Go to simpsonu.edu/healthcenter for current hours and additional information. Appointments are encouraged but not required by calling (530) 226-4178. In an emergency situation please contact campus safety who will then reach our school nurse.

**Health Insurance**
A key provision of the Affordable Care Act (ACA) is the ‘individual mandate,’ which requires individuals to purchase health insurance coverage or pay a penalty. This mandate became effective January 1, 2014.

Due to the changing landscape of healthcare reform in 2014, we want to provide a ‘roadmap’ of the different types of coverage that may or may not be available to you. Employer coverage (self/parent), coverage through a spouse if married, individual coverage purchased through an agent, exchange coverage, for California residents based on income, and Medi-Cal, California’s Medicaid program. For information about these coverage options please visit the Student Health Center located in the Owen Center, Suite 208.

**ID Cards**
All students are issued a photo ID card upon arrival. This card is used for access to the dorms, library book check-out, chapel attendance, and as a form of payment for the dining center, coffee shop and mobile printing in the library. In order to maintain a secure campus, Simpson safety officers may find it necessary to check the identity of unfamiliar persons on campus. A Simpson ID card is convenient way for students to confirm their identity. ID cards are issued in the IT office on the second floor of the Owen Center building. Replacement fee for cards is $15.

**Immunizations**
In their vital endeavor to protect and maintain optimal health for the Simpson community, there are required immunizations that are integral for that protection. Proof of immunization may be provided in three ways:

- Documentation signed by a physician or nurse stating that either that the student has received the required immunization with the dates completed, or that the student has had the disease(s).
- Laboratory evidence showing immunity to Measles and Rubella.
- Immunization records or High School transcripts confirming vaccination.

If it is not possible to provide proof in one of these ways, the students may either get the immunization at their local physician or public health office, or
get immunity blood work to ascertain immunity to the disease(s), which are Measles, Rubella, and Tetanus.

**REQUIRED IMMUNIZATIONS:** (2) MMR’s (which is measles, mumps, and Rubella), and (1) Tdap (which is Tetanus, Diphtheria, and acellular Pertussis) and a Tetanus booster within the last 10 years.

**HIGHLY RECOMMENDED IMMUNIZATIONS:**
- Hepatitis B series 3
- Varivax (Chickenpox) vaccine, if the student has not had childhood chicken pox.
- Meningococcal Meningitis*

*This disease, Meningococcal Meningitis is so dangerous for college students, that we are MANDATED by California law to inform students about meningococcal disease, and MUST document students’ receipt of information and whether they choose to get immunization or not. This information is readily available for the student to read, and then sign the wavier, or, that he/ she will be getting or not getting the vaccine in the SU portal for students. (HEALTH AND SAFETY CODE SECTIONS 120395-120399)

Please be aware that Simpson University does not require Varivax or Hepatitis B immunizations as does CA. colleges and universities.

**Intramural Sports**
We encourage all students to take part in the intramural program, which offers a variety of team and individual sports as well as other non-sport intramural activities. The idea is for fun, participation and moderate competition. Intramural planning and organization is facilitated under the guidance of Student Engagement.

**Mailing Information**
The Mail and Copy Center is in the Owen Student Services Center on the first floor. Mail and Copy Center services are available Monday-Friday from 11:30 am-3:30 pm. Student mailboxes are located across the hall from the Mail and Copy Center and are filled daily except on weekends. Outgoing mail is processed through the mailroom and leaves the campus at 4 p.m., Monday-Friday. In addition, package shipping is available through two major carriers (USPS and FedEx).

The student’s CPO number and box key are issued at registration. Please note that there will be a $25 fee for any lost keys, regardless of the circumstances.
It is critical that anyone mailing business or personal mail and/or packages to the student include the student’s campus Post Office number (CPO#). Please do not put “Simpson University” anywhere on the address. The student is assigned this number at registration along with their key. For example:

Student Name CPO#___
2211 College View Dr.
Redding, CA 96003

Note: Campus Post Office (CPO) box numbers are distributed through the Mail and Copy Center when mailbox key is issued. Please note that parents need to get the CPO box # from their student. Simpson staff is NOT permitted to give out this information. CPO numbers are not based on dorm room number.

Student Conduct Values
At Simpson, we offer redemptive discipline that looks forward, seeking the best way to assist the student in developing positive traits and patterns of living. The Student Code outlines what is expected of students as well as what students can expect of the university and is an avenue to educate individual students while balancing the needs of the community.

REDEMPTION:
We believe in discipline not punishment. Punishment seeks retribution and often results in fear and anger while the heart of discipline is transformation, restoration and love.

EDUCATION:
We believe in learning from our choices, not missing God’s opportunities to make us more like Christ. Through learning we understand the ramifications of our choices, evaluating their impact and comprehending how one’s behavior affects community.

ACCOUNTABILITY:
We believe in the power of Christ’s community, not the allure or deception of isolation. Community is composed of mentors who model healthy lifestyles, counselors who promote healing and friends who encourage and confront in love.

GROWTH:
We believe in being transformed to be like Christ, not in living mediocre, stagnant lives. By becoming more Christ-like we experience holistic
development, we hope for a better future and we help others in their journey towards Christ.

For further information on our redemptive discipline and amnesty processes and policies please email studentconduct@simpsonu.edu or amnestyprogram@simpsonu.edu or visit simpsonu.edu/studentconduct.

**Student Engagement**
The Student Engagement Office is in the Student Development Department and hosts several areas for student activities. They include Student Activities, ASBSU (student government), student clubs, intramurals, Commuter Student Services, diversity and climbing wall.

Our priorities support our mission which is to utilize the creative arts, outdoor and indoor recreation, and healthy cross-cultural connections to support the healthy transformation and involvement of students. We provide opportunities for experiential learning and leadership development.

**Residence Life**

*Mission Statement*
As a Christ-centered community, Residence Life fosters an environment that promotes student success and is committed to purposeful connections, academic integration, student participation, and the personal and spiritual development of residents.

*The Residential Experience*
Simpson University is committed to the residential experience and views it as an extension of the classroom. In contrast to distance learning approaches and community college, Simpson is intentionally residential for undergraduates, with approximately 88% of new students living on campus. We believe that living and learning together in community is one of the many benefits of a Simpson education.

*Resident Events*
The Residence Life staff host a number of community building events each semester. Some of the best events include our fall festival and dance, Hay Day, and the end of year lake day celebration. Another special event is Christmas Morning, which actually happens just before Christmas break. We make all residents breakfast, wake them up early and then give them a special present that we collect from parents. Look for a letter during the fall
that will include instructions about how you can participate. Thank you in advance for helping to make that a special day.

**Residence Life Staff**

**Resident Assistant (RA):** Student leaders who are trained to support and lead their peers. They promote community and serve residents on their assigned floor. There are 3 Resident Assistants in each residential building.

**Resident Director (RD):** Full-time student development professional that lives in community with residents. The Resident Directors provide supervision to the RA staff, mentoring for residents and other administrative duties. There is 2 RD staff for the residential campus.

**Faculty in Residence (FIR):** Full-time faculty members that live in community with residents. FIR gives residents the opportunity to interact with faculty outside of the classroom and helps Residence Life by promoting a living learning environment.

**Guest Housing**

The Conference Services office is pleased to provide guest housing year round for visitors to the university, to the Redding community, and to local conference attendees. All of our guest rooms are located on campus within the residence halls. The rooms are comfortably furnished with the following:

- Two twin beds (standard size), pillow and blanket
- Linen set (bed sheets, pillow case, bath towels)
- Dressers and desks
- Private bathroom with soap and toilet paper
- Air conditioning
- Access to coin operated laundry facilities
- Wireless internet access (please request at time of booking)

During the academic year room availability is limited and is offered on a first come, first served basis. During the summertime we offer accommodations for groups of up to 450 guests.

**Residence Hall Pricing**

Pricing is based on the number of guests, linen requests and whether or not the group has rented other areas on campus.
Residence hall room with linens (Includes sheets and towels) Single Occupancy, 2 night minimum $22.00 per person, per night
Residence hall room with linens (Includes sheets and towels) Double occupancy, 2 Night minimum $17.00 per person, per night

* Groups requiring multiple contracts may incur service fees.

The pricing for residence hall rooms when other areas of campus have also been rented will be determined within the total contract price. Please contact the Conference Services office at conferenceservices@simpsonu.edu or (530) 226-4971 for more information.

**Spiritual Formation**

A central objective of Simpson University is to engage students to pursue Christ, deepen their love for Him, and inspire greater call to service in our world. We believe a commitment to serve develops out of personal, ever-growing relationships with Jesus Christ which manifests a love for Him and a concern for others.

The Office of Spiritual Formation is dedicated to helping each student experience the many opportunities at Simpson to encounter in a personal way the transforming and continuing work of Jesus Christ as Savior, Sanctifier, Healer, and Coming King. Students’ participation in chapel services, worship teams, small groups, short-term missions, student ministry, service opportunities and classes on the spiritual life will encourage their desire to walk with God for the rest of their life. Students will also find that opportunities for student-initiated spiritual activities, their relationship to faculty and their classroom experience will contribute to their spiritual formation.

**Chapel**

Chapel at Simpson University is geared intentionally develop the life of our community through meaningful worship, biblically centered and Holy Spirit inspired messages, opportunities to share our spiritual journeys, and wise, challenging, and biblically-based instruction presented in a variety of formats. It is a central part of our life together. Chapel normally convenes twice a week on Wednesday and Friday from 10:20 to 11:20 a.m.

Because of the important contribution that chapel makes to the student’s educational and spiritual experience, full-time students (12+ semester hours) and all resident students are required to attend chapel 66 percent of the time during each semester.
**Student Missions**

**WorldSERVE**

Simpson University is committed to developing world servants who play a vital role in God’s story of redeeming the lost. Every fall, we invite students to join a WorldSERVE Team which takes them on a year-long discipleship journey, including a short-term mission’s project in the spring or summer.

The main objective for all students participating on a team is that they would BE DISCIPLED (through intensive training, mentoring, team building, and debriefing) in order to MAKE DISCIPLES (by partnering with God and with long-term workers in sharing the gospel, praying for the lost, caring for the poor, and equipping future leaders), thereby furthering God’s plan of redemption for the nations.

We believe that short-term mission projects have the greatest impact when they are a catalyst for both the long-term mission strategy on the field and the long-term growth in the student. In other words, it’s really not about the “trip.” It’s about the discipleship journey. It’s about joining God in His work around the world, and asking how students can be part of His Mission for the rest of their life... no matter where they are. For more information on student missions, visit simpsonu.edu/missions.

**Strike Teams**

Simpson University’s moto is, “Gateway to World Service” and that world service begins right here in Redding, CA. With serving being one of Simpson’s core values, one way that Simpson practices this is through Strike Teams. Strike Teams are different groups of students, staff, and faculty responding to practical needs in the community, such as painting, helping at large banquets, emergency moves, general landscaping and more. We want to have eyes and ears for our neighbors and not just
pass by needs, but do something about them. We believe that simple acts of service can make lasting differences in people’s lives.

**Global Impact**

This committee increases student awareness of world missions at Simpson University by sponsoring a number of efforts throughout the year. Members organize prayer meetings and plan chapel programs spotlighting world missions. They also help to plan and host the annual Global Impact week, featuring missionary speakers, chapel programs, an international dinner, and other activities.

**Student Financial Services**

Students applying for institutional, federal, and state aid must file the FAFSA (Free Application for Federal Student Aid). Institutional aid is for the fall and spring semesters only (no aid is awarded for summer sessions, except when certain conditions are met. Please contact Student Financial Services if you are considering summer enrollment). Students will continue to receive financial aid provided the student:

- Maintains satisfactory academic progress,
- Completes the financial aid application process (file the FAFSA, submit undergrad registration forms, and submit a $200 advanced tuition payment for the fall term) for the next academic year by the March 2 priority deadline, and
- Is not in default of any other Title IV program funds.

A few important tips:

- **Each student must complete the Privacy Release form to designate whether or not other individuals, such as parents or guardians, are authorized access to a student’s financial aid and/or student account information. Form available at simpsonu.edu/sfsforms or on page 55.**
- Work with your son/daughter to ensure that all documents are completed in a timely manner.
- Fill out all forms completely and accurately.
- Keep copies of everything.
- Respond quickly to all requests for additional information.

**Applying for Financial Aid**

If you are a parent of a dependent student, you can help start the financial aid process by filling out the Free Application for Federal Student Aid -
FAFSA. You can file online at www.fafsa.gov. Please remember to request a FSA ID, your user name and password. You can use the FSA ID to sign a FAFSA right away. It will also grant access to other websites pertaining to federal student aid.

PLUS Loan
If you are the parent of a dependent student who is enrolled at least half time, you have the opportunity to help with your student's cost of college by taking out the Parent PLUS Loan. You can borrow any amount up to, but not exceeding, the difference between the cost of attendance and the total of all other financial aid.

Important facts to remember about the PLUS Loan:
(1) Only one parent should request the loan. (2) By requesting a PLUS loan, that parent is not obligated to take out the loan. (3) Even if you believe you may be denied, it is beneficial to request the loan as the student may become eligible for an additional unsubsidized Stafford Loan through a denial.
- Review the award letter and determine the annual amount you will need to request (be sure to include in the requested amount the origination fees deducted from the total amount of the loan disbursement).
- Go to www.studentloans.gov to request a PLUS Loan. Be sure to request the annual amount desired.
- The Parent PLUS Loan request is a two-step process: (1) the required pre-approval credit check and (2) e-signing the Master Promissory Note.

NOTE: If you are applying for the PLUS Loan with the intention of not taking out the loan if approved, do NOT sign the Master Promissory Note.
Information regarding the PLUS loan and the application process can be found at simpsonu.edu/loans. If you have questions, contact Student Financial Services at (530) 226-4621 or email financialaid@simpsonu.edu

Student Accounts
Payment for semester charges that are not expected to be covered by pending financial aid is due by the 15th of the month before the semester begins. The student is responsible for the actual total balance, including all charges posted during the semester. If the student’s account is not paid-in-full for the current semester, the student will not be allowed to enroll in future semesters and will not receive official transcripts or a diploma until the student account is paid in full.
When there is an actual credit, a student will receive a refund via the disbursement method chosen. Disbursements are issued no earlier than the third Friday of the semester.

Students who have a concern about their account balance should contact a Student Financial Services advisor at (530) 226-4621.

**Payment**
Acceptable payment methods include check, credit card, or electronic transfer from a checking/savings account. Payment can also be submitted online through Student Financial Services Self-Service. This is accessed through the Student Portal.

Financial aid can be deducted from the semester charges to calculate the remaining balance due when the following conditions have been met:
- Any financial aid eligibility issues resolved
- Verification process complete, if selected
- Actual registration corresponds to anticipated registration
- For any loans being borrowed, all necessary processes for the particular loan have been completed, including but not limited to, loan request/confirmation, Master Promissory Note, and entrance counseling.

The balance due for each semester must be paid in full on or before the payment deadline.

- Fall semester: August 15
- Spring semester: December 15
- Summer semester: April 15

The account balance for a semester must be paid in full by the payment deadline or the student will be assessed a late fee. Additionally, if a balance is past due, the student will be prohibited from receiving transcripts or a diploma, if applicable. Registration for any succeeding semester will be prohibited without satisfactory resolution of any outstanding balance from the previous semester. Students may request statements be sent to another individual in addition to themselves. Any balance that remains unpaid is ultimately the responsibility of the student, which may result in referral of an unpaid account balance for outside collection assistance.

If payment in full cannot be made by the due date listed above, Simpson University does have payment options available.
Deferred Payment Plan
Payment plans are the sensible approach to paying education expenses. They allow for smaller affordable payments instead of paying your semester balance in one large sum. Use the Students Account Center to enroll in a semester payment plan from available plan options. Enrollment is required for each semester you choose to use this option. After logging into portal.simsponu.edu, you will have access to the Student Account center.

The payment plan enrollment fee is $50 per semester.

Tuition and Course Fees
Students who decide to add or drop courses or withdraw from school must complete appropriate forms with the Office of Student Financial Services, as well as the Registrar’s Office. If you consider withdrawing from Simpson University during a semester, please read the Withdrawal Notice regarding the possible impact of withdrawal on your financial aid eligibility for that semester.

Regarding changes to course schedule and academic fees, please view the Removal of Institutional Charges Policy at simpsonu.edu/costs.

Residence
Regarding changes to housing status, the following refund policy will apply:

For returning students, the housing exemption deadline is March 2 for the fall semester and Nov. 2 for the spring semester. For new students, the housing exemption deadline is Aug. 15 for fall and Dec. 15 for spring. Any late exemptions requested after these deadlines and by the first Friday of the semester will result in the assessment of a Late Housing Exemption Fee of
$250. If an exemption is approved after the first Friday of the semester, or if a student withdraws from Simpson University, the following refund policy will apply:

Exemption approved/moves off campus...
Before the start of the semester ............................ 100%
2nd Friday following start of the semester................ $40/day charge
(beginning on the first day of the semester)*
4th Friday following start of the semester............... 75%
6th Friday following start of the semester............. 50%
8th Friday following start of the semester............. 25%

After the 8th Friday following the start of the semester, no refund is available.

**Meal Plan**
Regarding changes to meal plan, the following refund policy will apply**:

Exemption approved/moves off campus...
Before the start of the semester ............................ 100%
2nd Friday following start of the semester................ $30/day charge
(beginning on the first day of the semester)*
4th Friday following start of the semester............... 75%
6th Friday following start of the semester............. 50%
8th Friday following start of the semester............. 25%

After the 8th Friday following the start of the semester, no refund is available.

*The per-day cancellation charge is assessed for every day through the day the student moves off campus.*

**Changes to meal plans are accepted through the first Friday of the semester**
Vehicle Registration Fee / Sun Oaks Fitness Membership
Changes to vehicle registration or Sun Oaks fitness membership for any term will not be accepted after the second Friday following the start of classes.

The university reserves the right to make exceptions to these refund policies in order to ensure proper handling of each case and to maintain compliance with current federal and state regulations.

Notice of Non-Discrimination and Equal Opportunity

Simpson University does not discriminate on the basis of race, color, national origin, sex, disability, religion, age, veteran status, gender identity, or sexual orientation in its programs and activities as required by Title IX of the Educational Amendments of 1972, the Americans with Disabilities Act of 1990, Section 504 of the Rehabilitation Act of 1973, Title VII of the Civil Rights Act of 1964, and other applicable statutes and college policies. Simpson University prohibits discrimination, discriminatory harassment, and sexual harassment, including sexual violence and any type of sexual misconduct.
FERPA

FERPA stands for the Family Educational Rights and Privacy Act of 1974. Although designed in the interest of protecting student privacy abuses, these federal laws also limit the information that we can legally share with a parent.

FERPA allows schools to share directory information without student consent. Students have the right to submit a form requesting that their information also be kept confidential apart from necessary uses within the school. Directory information includes:

- Student’s name
- Local address/telephone number
- Permanent address/telephone number
- E-mail address
- Date and place of birth
- Hometown
- Degrees and awards received and dates
- Dates of attendance (current and past)
- Full or part-time enrollment status
- Participation in officially recognized activities
- Participation in officially recognized sports
- Weight/height of members of athletic teams
- Most recently attended educational institution
- Major field of study
- Academic levels
- Residency status (i.e., resident or commuter)
- Photographs

Many other pieces of information about which parents commonly inquire are protected by FERPA, these include:

- Billing information
- Financial aid information
- Discipline
- Grades
- Class schedule
- Medical information maintained by the school
- Information on learning or other disabilities
- Information from meetings with school counselors
- Information on a student’s general well-being if shared with a school employee in the course of their job
Confidentiality
Students have the option of marking their records "confidential" to restrict access to directory information. The decision to request complete confidentiality should not be made lightly, however, as it carries the following ramifications:

- The university will respond to inquiries about the student as though the student is not known to the university.
- The student will not appear in any student publication listing, including the student directory and yearbook.
- Student loan agencies will have difficult time accessing information necessary to carry out their functions.

Once the student is registered for classes at Simpson, his or her directory information may be made public. If the student needs to have his or her files marked “confidential," they need to submit a Request to Prevent Disclosure of Directory Information form to the Registrar's Office (located on the second floor of the Owen Center) before the deadline each semester. Please note that this must be renewed each semester that the student would like his or her files maintained as confidential. A new form must be submitted by the respective deadlines each semester, otherwise his or her directory information will be assumed to be available to be made public.

Many students appreciate the support and involvement of their parents as they navigate university life. FERPA allows students to submit a signed consent form that lists individuals to whom their educational information may be disclosed. This form must be submitted annually with specification of the types of records that may be released. Simpson’s form requires a pass code which parents must give to confirm their identity over the phone when requesting information about their child. Because this information is filed away in a database that all departments do not access on a regular basis, some departments may need lead time to research a student’s FERPA releases and exclusions prior to speaking with a parent. Information that is permissible to release is only released upon specific requests; that is, even if a student elects to share academic information with a parent, grades will not be regularly reported to that parent. FERPA allows the release of protected information in the case of an emergency where release of information is essential to protect a student’s health or safety.
Granting Access to Academic Records
Information regarding the student’s academic records will not be released to anyone other than the student (except as provided by the FERPA regulations), unless the student grants permission. If the student wants information from his or her records available to another person, such as a parent or spouse, the student must complete the FERPA Release Form and submit it to the Registrar’s Office.

Any questions concerning FERPA may be referred to the Office of the Registrar.

Telephone: (530) 226-4111
E-mail address: registrar@simpsonu.edu

Safety Plan
About Emergency Preparedness
Simpson University is committed to the safety and security of the campus community. In the event of an emergency, we ask all members of our community to remain calm and follow emergency procedures. For those outside the immediate community, we covet your prayers and support as the university works to respond efficiently to the situation at hand.

SU has plans in place to respond to crises which may impact the university. The following are highlights of that plan:

• Should a natural disaster, man-made disaster, or other emergency arise, the university’s Emergency Operations Center is activated. At that time, leaders of each critical operational department meet to execute operational decisions. Each member of this team is on-call around the clock.

• Residential students receive instruction regarding safe evacuation of campus housing as part of their initial orientation in September. Annual fire drills in the residence halls test the safety plan effectiveness.

• The Campus Safety department participates in trainings with the Redding Fire Department, Redding Police Department, Shasta County Public Health, and various other organizations.
• The Critical Incident Response Team meets quarterly to discuss trainings, preparation, and investment of resources to address emergencies.

For additional information on SU’s preparedness plan, contact the Safety Manager at (530) 226-4754.

Parent Resources

We realize what an important role you play in your child’s life, and even though that role may change over the next four years, it does not become any less important. They’ve heard your voice, now it’s time to help them find theirs.

We encourage you to stay involved and take advantage of the resources that Simpson has to offer in keeping you in touch and informed.

Parent Beliefs

_In the following statements, the word “parent” is intended to include the various parental support structures within each student’s family._

At Simpson University, we believe in:

**Parent Commitment**

We believe that parents’ commitment to their students does not end at the college front door. Geographical distance and students’ development to adulthood will bring changes in their relationships that are normal and healthy. It is good for students and for the university to have parents who are committed to making those changes.

**Parent Partnership**

We believe parents are partners with Simpson University. This partnership includes constructive communication between parents and the University that benefits parents, the school and students and that works to ensure that students receive a consistent message that they are responsible for their choices.

**Parent Encouragement**

We believe that a good way to describe the role of parents during the college years is as a coach who encourages the team from the sidelines. Having more directly guided students through the pre-college years, parents now have the opportunity to encourage them to develop as persons and as followers of Jesus Christ.

**Parent Support**

We believe parental support of Simpson faculty and staff is important in order to create the best possible environment at Simpson University for the development of our students. Parents are encouraged to see the Simpson faculty and staff as instruments of God in the lives of their students.
Parent Council

Parent Council is designed to support parents and families as their students experience college life. Parents are offered a great way to be more closely connected in the life of students during their years at Simpson and to help them continue their legacy as they become alumni of Simpson University.

Here are some ways Council members may participate:

- Assembling/shopping for Hugs from Home student care packages
- Helping at campus events such as Grandparent Day, visit days, and Homecoming
- Serving food to students during late night finals’ week studies
- Being SU ambassadors in the community by spreading the word about Simpson
- Submit parent e-newsletter article suggestions
- And more...we’re open to your ideas and suggestions!

Mission: The goal of the Parent Council is to foster a caring and supportive network of parents, and to give those who desire on-campus involvement opportunities to serve students and Simpson University.

For more information, please e-mail parents@simpsonu.edu or call the Parent Relations Office at (530) 226-4765.
Parent E-Newsletter

The parent newsletter is sent out electronically from August-April to parents of current students. The e-newsletter provides updates of happenings on campus; including events, athletic games, and other information that will help you connect with life at Simpson University. You will receive tips that should help you guide and develop your student in various areas of university life and articles from Simpson staff or faculty.

If you are not currently receiving the parent newsletter, please e-mail us your name, address, phone number and your student’s name to parents@simpsonu.edu and we will add you to the mailing list.

Contacting Your Student
Please remember to get your student’s CPO # from your son or daughter as Simpson is not allowed to give out this information. (See page 23 for mail room information.) When sending cards, packages and other mail please address as:

Student’s Name CPO # ___
2211 College View Drive
Redding, CA 96003
Hugs from Home

Brighten your student’s day with our customized care packages that are creative, fun and delicious.

Family and friends can order a Hug from the Office of Parent Relations. There are a variety of Hugs from which to choose. Unless specifically requested otherwise, $5 of each Hug is a donation toward WorldSERVE student mission trips. We encourage parents to help establish a culture of philanthropy in the lives of their students.

**Birthday Hug:** This is our most popular Hug, and with good reason. Cakes are available in white or chocolate and colorfully decorated with the student’s name. We even provide plates, forks and napkins for a birthday party of eight! Package also comes with balloons and your birthday greeting.

**Coffee Hug:** Whether your student is up late studying or relaxing with friends, a trip to the local coffee shop will be just the right thing to keep your young person going. This package includes a travel coffee mug, a Dutch Bros (see ad on back page) gift card and plenty of coffee goodies. This is survival we’re talking about!

**Get Well Hug:** It’s always nice to have your loved one close to help take care of while he or she is sick. Now you can send that special love through a care package specifically selected for those who are feeling a little under the weather. The package comes with Kleenex, microwavable soup, crackers, fruit cups, orange juice, granola bars, immune boosters and a travel mug to take to class. They’ll be better before you know it!

**Movie Hug:** Want to give your student a chance to kick back and relax for an evening? Included is a $10 gift card to the local movie theater and a variety of great movie snacks, such as popcorn, soda and sweet treats.
**Cookie Hug:** This assortment of gourmet cookies from a local bakery comes with a stuffed animal, balloons and your personalized greeting. While we can’t match your knack for baking, we can help give them a taste of home (second only to yours, of course).

**Special Occasion Hugs**

**Valentine Hug:** Let your student feel your love on Valentine’s Day with one of our three Valentine Hug options: gourmet cookies, a delicious pie or the classic Valentine’s Day gift of flowers and candy. The pie hug comes with plates, napkins and forks to share with friends. Each Hug comes with a special Valentine balloon and your love note.

**Exam Cram Hug:** The survival kit is a great way to provide support and to show your student you care. This package includes vitamins, healthy snacks, sweet snacks, coffee drinks, fruit and appropriate school gear needed for studying and tests, like pencils and 3x5 cards. It will be a bright moment for your student during the intense finals week.

**Easter Hug:** If your son or daughter can’t be home for Easter this year, send a Hug full of traditional childhood candy favorites packed in an Easter basket. Basket includes Peeps, chocolate bunnies, plastic eggs filled with jelly beans, chocolate eggs, and more.

Each hug comes with balloons and your personalized message attached. *Please note, this hug is available only when Easter does not fall during Spring Break.*

Hugs from Home care packages may be easily ordered using a credit or debit card online at [simpsonu.edu/hugs](http://simpsonu.edu/hugs).

**NOTE:** Pictures and content descriptions are a representation; actual items may vary due to availability and some hugs are seasonal. Hugs from Home are assembled on weekdays and cannot be offered on weekends, during holidays or college breaks.
Tips for Parents

1) Give your students space to grow and learn about themselves.
2) Realize that this is a time of growth for you as well as your student.
3) Listen and allow your students to work toward their own answers.
   They’ll appreciate you for it!
4) Be excited for who they are becoming as individuals.
5) Send care packages or order a “Hugs from Home” package!

Academic Advising

The goal of academic advising is to create personal connections that empower students to be who they were made to be, take responsibility for their academic success, and be aware of resources so they can reach their personal and career goals. This out-of-the-classroom teaching experience is carried out through the following components:

1. **Information Giving:** Includes advice and consultation about registration, course offerings, degree programs, educational policies and regulations, as well as administrative dates and deadlines.

2. **Program Planning:** Includes advice and consultation on semester-by-semester program planning, graduation planning, selection of specific courses, the registration process, and schedule adjustments.

3. **Student Referral:** Recognizes that the academic advisor cannot meet all student needs but that specialized campus services are available for consultation, such as: the Academic Success Center, Writing Center, Career Services, Counseling Center, Student Development, and Student Financial Services.

Every student enrolled at Simpson University is assigned to an academic advisor. Advising responsibilities are shared between staff Academic Advisors in the Advising Center and Faculty Advisors. Staff Academic Advisors are responsible for advising students with less than 24 college credits, undeclared students, students on academic status, and students in need of supplemental advising. Students with 24 or more college credits are assigned to a Faculty Advisor within their major.

The Advising Center delivers this out-of-the-classroom experience through in-person advising, in-class workshops, web-based communications, and various resources such as forms.

The Advising Center is located on the second floor of the Owen Student Services Center. You can contact the Advising Center at (530) 226-4111 or get more information at simpsonu.edu/advisingcenter.
Student Discussion Topics

As your student makes this transition to adulthood and pursues their academic goals, we have compiled a list of topics you may choose to use with your student. This is simply designed to encourage meaningful conversations.

- Encourage your student to contact their advisor as they are an incredible resource to their academic experience.
- Offer your ideas about college with your student and express the desire to let them experience it in their own way.
- Ask what they think they will miss most about high school.
- Share stories about major transitions you’ve made in your life, lessons you’ve learned, what you wish you would have known.
- Ask what they like best about living on campus and encourage them with their roommate relationships.
- Encourage your student to become as involved in campus life as time allows. Ask them what are some fun events and opportunities that Simpson offers.
- Ask what kind of grades your student is aiming for, and what their plan is to be successful with their goal.
- Ask which courses your student is signed up for this semester.
- Inquire if there are things your student has always wanted to try that they could pursue now.
- Discuss the academic, career, financial, health and social support services available on campus with your student.
- Discuss Simpson’s code of student rights and responsibilities and the implications for their academic and social life.
- Talk through the financial responsibilities involved in attending a university. Encourage them to get information on financial aid and to stay on top of deadlines.
- Ask how you can be most helpful and supportive of them during this time of their lives. Listen as they discuss expectations of involvement that they may have.
Community Resources

Area Attractions

**Castle Crags State Park**
Popular activities include swimming and fishing in the Sacramento River, hiking and backpacking in the back country, camping and rock climbing among the ancient granite formations. There are campsites with tables, stoves, storage lockers and restrooms with hot showers nearby. It is approximately 35 miles north of Redding on I-5.

**Lake Shasta Caverns**
Spectacular limestone and marble formations are surrounded by waterfalls and embedded with sparkling crystals. Guided tours are conducted daily. Call (530) 238-2341. Ten minutes from the university.

**McArthur-Burney Falls State Park**
Located on Highway 89 between Mt. Shasta to the north and Lassen Volcanic National Park to the south, beautiful Burney Falls provides the setting for camping, hiking and fishing. Excellent camping facilities are available with 118 sites, restrooms, hot showers, stoves, tables, and food lockers. A boat ramp is also available at nearby Lake Britton. Take Highway 299 East to Highway 89, and then head north approximately five miles to the park entrance. It’s about an hour-long drive, but well worth the trip.

**Mt. Shasta**
Snow-capped Mt. Shasta dominates the northern skies as you journey past Lake Shasta, Castle Crags, and through the railroad town of Dunsmuir. During the summer months one can enjoy the town of Mount Shasta and nearby Lake Siskiyou. During the winter, snowboarding, downhill and cross-country skiing are popular pastimes.
Redding Aquatic Center
Located in Caldwell Park (corner of Quartz Hill Road and Market Street), the center has an Olympic-size swimming pool and slides. See prices at reddingaquaticcenter.com.

Lake Shasta
This reservoir is located about 15 minutes north of Redding. Shasta Lake is popular for boating, water skiing, camping, house-boating and fishing. It was created by Shasta Dam, the ninth tallest dam in the United States.

Sacramento River Trail
A six-mile trail traverses both sides of the Sacramento River as it passes through the center of Redding. The entrances for the trail borders Caldwell Park off Market Street, which is about three miles from the university, or at the Sundial Bridge.

Sundial Bridge/Turtle Bay Exploration Park
The one-of-a-kind glass-decked bridge acts as a sundial as it spans the Sacramento River. It serves as the new downtown entrance for Redding's extensive Sacramento River Trail system that includes Turtle Bay Exploration Park and McConnell Arboretum & Gardens.

Turtle Bay Exploration Park
This museum offers interactive learning exhibits about the Sacramento River and surrounding area, miles of walking trails, a summer butterfly house and an arboretum. It’s located next to the Redding Convention Center off Highway 299 West.

Whiskeytown National Recreation Area
About 15 minutes west of Redding on Highway 299 is beautiful Whiskeytown Lake, which provides opportunities for boating, fishing, swimming, camping, mountain biking, and hiking.
