All students starting in the Psychology Program in the Summer 2018 semester may use this program schedule for planning purposes. The order of the courses is subject to change, but the dates will remain the same. Each course is worth three credits. After signing paperwork at Orientation, students will be automatically registered each semester for the courses outlined above.

By following the schedules outlined above, students who meet the graduation requirements of the ASPIRE Program could expect to graduate in April 2019.
