## Adult Studies Cost Estimate Worksheet

### Financial Aid Eligibility

Refer to your award letter for details of your financial aid eligibility. Any semesters of your program not listed on your award will be on next year's award after you file the next FAFSA.

### 1. Calculate your Charges

|  | Semester 1 | Semester 2 | Semester 3 | Semester 4 |
|--|------------|------------|------------|------------|
| ASPIRE Courses - \$519/credit                  | \$         | \$         | \$         | \$         |
| Attain/Advance Courses - \$50/credit           | \$         | \$         | \$         | \$         |
| Parking Fee - \$50/semester                    | \$         | \$         | \$         | \$         |
| <b>Charges</b> (payable to Simpson University) | <b>\$</b>  | <b>\$</b>  | <b>\$</b>  | <b>\$</b>  |

### Cost of Attendance

Charges are not the same as the cost of attendance on your award letter. The cost of attendance is an estimate and factors in living expenses, educational supplies, room and board fees, and other miscellaneous expenses. **It does not equal charges payable to Simpson University.**

### 2. Calculate Your Net Bill (Charges minus Grants & Scholarships and Personal Payments)

|  | Semester 1 | Semester 2 | Semester 3 | Semester 4 |
|--|------------|------------|------------|------------|
| Grants & Scholarships  | \$         | \$         | \$         | \$         |
| Personal Payments  | \$         | \$         | \$         | \$         |
| Subtotal   | \$         | \$         | \$         | \$         |
| <b>Net Bill</b> - Total Charges Minus Subtotal Above<br>(amount payable to Simpson University) | <b>\$</b>  | <b>\$</b>  | <b>\$</b>  | <b>\$</b>  |

### 3. Decide What Loan Amount to Borrow (Optional)

**You must request loans in order for them to be processed.**  
**Requested loans are divided evenly over all semesters of the award year.**

|  |           |           |           |           |
|--|-----------|-----------|-----------|-----------|
| Direct Subsidized Stafford Loan        | + \$      | \$        | \$        | \$        |
| Direct Unsubsidized Stafford Loan      | + \$      | \$        | \$        | \$        |
| Other Loans (PLUS, Perkins or Private) | + \$      | \$        | \$        | \$        |
| Less Origination Fees*                 | - \$      | \$        | \$        | \$        |
| <b>Net Loans Borrowed</b>              | <b>\$</b> | <b>\$</b> | <b>\$</b> | <b>\$</b> |

\*(approximately \$10 per \$1000 for Direct Stafford, more for PLUS)

\*\*Total to request: Add each semester amount for academic year

### Loan Information

### 4. Calculate Remaining School Bill

| (Net Bill minus Net Loans Borrowed) | Semester 1 | Semester 2 | Semester 3 | Semester 4 |
|-------------------------------------|------------|------------|------------|------------|
|                                     | \$         | \$         | \$         | \$         |

If total of step 4 is a negative balance, you may be eligible to receive a disbursement of excess funds. Disbursements are released beginning the third Friday after classes begin to students with an actual credit balance.

### Payment Deadline

Payment is due in full by August 15th for fall, December 15th for spring and April 15th for summer unless enrolled in an approved payment plan.
