## ***Please read and remember:***

- 1. HELMETS:** Are a mandatory part of this ride.
- 2. BE ALERT:** Your safety and the future of this ride depends on all riders being mindful of the local traffic laws, being courteous to other riders and vehicles, and riding with a mindset of safety.
- 3. SHARE THE ROAD** means that vehicles must share the road with bicyclists, and cyclists must share the road with vehicles ... sharing is caring!
- 4. SINGLE FILE:** When at all possible, please ride single file.
- 5. TWO ABREAST:** Passing cyclists must not exceed two abreast ... don't hog the road!
- 6. PASS ON THE LEFT:** Enough said.
- 7. VEHICLES PASSING:** Move as far to the right as is possible and safe to allow vehicles to pass.
- 8. EMERGENCY VEHICLES:** Remember to pull off the road to allow for an emergency vehicle to pass.
- 9. TRAFFIC SIGNS:** If there is a stop sign, stop! If there is a yield sign, yield! If there is a sign for bears, buffalos, or reindeer, be alert!
- 10. HAND SIGNALS:** Please use hand signals before you turn or stop.
- 11. SIMPSON UNIVERSITY** is a Christian university, and as such, we are a tobacco-free, alcohol-free and drug-free institution and event. We appreciate your respect!

***NOTE:*** All riders must sign a liability waiver on the day of the event and acknowledge that they have read these rules and agree to abide by all California traffic laws.
