

Campus Life Student Appeal

Simpson University is committed to fostering a supportive experience for students' learning and thriving. We have established this process to allow students to request an exemption from a policy or procedure on matters related to the student experience.

You should submit a detailed written document, providing as much relevant information as possible. Send your written document, requesting your appeal, to reslife@simpsonu.edu. The Campus Life professional staff, along with a senior representative from your ASBSU team will review your appeal along with pertinent information/policy, etc. In order for your appeal to be considered in a timely manner, please submit appeals before Mondays.

The following information needs to be part of your appeal:

- First/Last Name
- Email address
- Student ID
- Birthdate
- Credits completed
- Current living situation/address
