\*18 Required Spiritual Formation Credits (At least 50% from Chapel)

**When:** Chapel meets weekly on Wednesday and Friday mornings from 10:20-11:20 a.m. in the gym.

**Why:** Chapel at Simpson University is a place “where our hearts and minds encounter God.” It is designed to intentionally develop the spiritual life of our community through meaningful worship, Biblical and Spirit-breathed messages, and opportunities to learn from one another. A chapel program is a central part of our life together as a Christian institution of higher education.

**Requirement:** Full-time undergraduate students (12+ semester hours) are required to accumulate 18 Spiritual Formation credits during each semester. Half of the Spiritual Formation credits must come from Wednesday/Friday chapel services. The other credits can be accumulated through other pre-approved Spiritual Formation events.

**Etiquette:** To receive credit for chapel attendance a student must be present for the entire chapel service, give full attention to the chapel program, and scan in and out at the beginning and conclusion of chapel. Attitudes and behaviors (such as talking, texting, arriving late to scan, inappropriate physical contact, doing homework, listening to music, watching movies, etc.) that distract and/or disrupt the student or others around them from fully participating in the chapel program are unacceptable and may result in forfeiting chapel attendance credit for that chapel. Those who observe such behaviors are responsible to encourage the people involved to redirect their attention to the chapel program.

**How:** In order to get credit, please download the “attended” app and log in with your student email address. Scan in and out of chapel and other Spiritual Formation events using this app.

If you have questions or concerns regarding missing chapel attendances, please contact our chapel team at chapel@simpsonu.edu. Any missing credits must be reported within 2 weeks of the event with proof of attendance.
