

WELCOME TO SU HOUSING

We are excited that you've chosen to attend Simpson University! Your educational experience will be enhanced by community, formed when living on campus. We are an intentionally residential campus, with a housing model that reflects the needs of our students. All full-time, unmarried, undergraduate students 23-years-old and under are required to live on campus.

HOUSING OPTIONS

➔ On campus housing

First-time, freshman and new transfer students will be placed alongside our upperclassmen in each of our residence halls. New students will live in community with older students and experience programming and mentoring specifically designed to help them get plugged-in at Simpson.

New students can expect a vibrant community and relational connection on their floor, in their building, and within the overall residence life experience.
