### LOCALS

Living within 35 miles of campus? You are welcome to continue living at home. We will still assign you to a life coach and get you involved in campus activities.

Over 24, married, or veterans returning from service. You will live off campus. Verification required if you are:

- A veteran
- Married
- Have a live-in work requirement

## \$ WHAT IS THE COST?

**\$3,550** UNIVERSAL HOUSING COST

Same cost for all room types.

All new students start in triple or quad rooms, mostly in **Thompson and Irwin** halls.

As you move up in seniority, returning students choose their room and most move into suites with just 2 students per room.

All rooms have private bathrooms to each room/suite. **Simpson does not have any private room options** – all students will have roommates each year.

*Our goal is to help you feel at home and connected.*
